You must meet certain conditions for **your** insurance cover to apply. For example, **you** must pay the premium. Conditions of cover are shown in the 'General Conditions' section and in Section 1. **You** should make yourself aware of all the conditions that apply by reading the policy wording.

Limits of Cover

Our liability is limited to the amount shown in the schedule that **we** will issue to **you**. **You** need to decide if the limits of cover are appropriate for **you**. If they are not, **you** may be underinsured and have to bear part of any loss yourself.

Excesses & Waiting Periods

Excesses and **Waiting Periods** are applicable to any claim that **your Member** makes under the Sports Injury section of the **Policy**. The **Excesses** and **Waiting Periods** applicable will be shown on the **Certificate**.

The standard **Excesses your Members** may be required to pay or the applicable **Waiting Periods** are:

Medical and Dental costs – **your Members** may be required to contribute towards the cost of any claimable medical treatment. The amount **your Members** may be required to pay will vary and will be determined by **your** individual circumstances. The amount will be shown on the **Certificate**. In addition to this amount, **your Members** may be required to pay an **Excess** of \$50 when they make a claim for this Additional Benefit if they do not have private health insurance.

If **Your Insurer** increases any of the above listed **Excesses** or **Waiting Periods**, this will be shown on **your Certificate**.

Cost of Your Policy

The amount that **Your Insurer** charges **you** for this insurance when **you** first acquire **your Policy** and when **you** renew **your Policy** is called the premium. The premium is the total that **Your Insurer** calculates when considering all of the factors which make up the risk, such as:

- the type of cover **you** choose
- the amount of benefit chosen
- the individual circumstances of the insured, including matters such as the Sport which **your** club plays.

The total cost of **your Policy** is shown on **your** certificate and is made up of **your** premium plus Government Taxes such as, GST, Stamp Duty and Fire Service Fees.

What happens if you do not pay the cost of your Policy by the due date?

Your Insurer will have the right to cancel **your Policy** if **you** do not pay **your** premium by the due date or if **your** payment method is dishonoured and therefore **Your Insurer** has not received **your** payment by the due date. Unless **Your Insurer** tells **you**, any payment reminder **Your Insurer** sends does not change the expiry of **your** cover or the due date of **your** premium.

Duty of Disclosure For The Sports Injury Section Of The Policy

Whether **you** are entering into a policy for the first time or are proposing to renew, vary, extend or reinstate a policy **you** have a duty of disclosure.

Your Duty of Disclosure for New Policies

When answering **our** questions **you** must be honest and **you** have a duty under law to tell **us** anything known to **you**, and which a reasonable person in the circumstances, would include in the answer to the question. **We** will use the answers in deciding whether to insure **you** and anyone else to be insured under the policy, and on what terms.

Your Duty of Disclosure for Renewals

If **you** have already entered into a policy and **you** are proposing to renew, vary, extend or reinstate the policy **your** duty of disclosure changes. **You** have a duty to tell **us** of everything that **you** know, or could reasonably be expected to know, that is relevant to **our** decision to insure **you** and to the terms of that insurance. If **you** are not sure whether something is relevant **you** should inform **us** anyway.

Who Needs to Tell Us?

It is important that **you** understand **you** are answering **our** questions in this way for **yourself** and anyone else that **you** want to be covered by the policy.

What You Are Not Required to Disclose

Your duty does not require disclosure of matters that:

- reduce the risk
- are common knowledge
- **we** know or, in the ordinary course of **our** business, ought to know, and
- **we** have indicated **we** do not want to know.

If You Do Not Tell Us

If **you** do not answer **our** questions in this way or disclose everything **you** know, **we** may reduce or refuse to pay a claim, or cancel the policy. If **you** answer **our** questions fraudulently, **we** may refuse to pay a claim and treat this policy as never having been in force.

Important Notices

Your Duty of Disclosure

This policy is subject to The Insurance Contracts Act 1984. Under that Act **you** have a Duty Of Disclosure. This means:

- When **you** ask for cover, **you** must tell **your Insurer** all that **you** know about the risk that **you** want covered which may affect **your Insurer's** decision:
 - a) Whether to offer **you** cover
 - b) If **they** do the terms and cost of such cover.
- If **you** ask for the cover to be renewed, extended, varied or reinstated **you** have the same duty as in paragraph A. and **you** must tell **your Insurer**:
 - a) If there has been any changes in what is covered; and
 - b) Of all things which may increase the chances of a claim.

If Things Change

After **your Insurer** has agreed to cover **you** and while **you** are covered **you** must tell **your Insurer** of all changes that may increase the chances of a claim. In particular **you** must tell **your Insurer**, if:

- **Your** club, league or association varies the scope of what it does.
- **Your** club or league loses its affiliation with **your** sports controlling body.
- **Your** membership grows by more than 10%.

If things do change **your Insurer** may agree to vary the policy. Unless **they** agree to such changes **they** may reduce their liability or refuse to pay a claim.

Important Notices (cont'd)

If You Fail In Your Duty of Disclosure

If **you** don't tell **your Insurer** something **you** know which may affect **their** decision to offer **You** cover or the terms of that cover **they** may be allowed to:

- Reduce the amount that **they** have to pay for a claim. This may mean that **they** do not have to pay **you** anything.
- Cancel this policy. **They** may even be allowed to avoid this policy (treat this policy as if it never existed) from when it began if **you**;
 - a) Lie to **them**
 - b) Deliberately or recklessly keep information from **them**; or
 - c) Recklessly give **them** false information.

What You Don't Have To Tell Them

You do not have to tell **your Insurer** of anything:

- That reduces the chances of a claim. But, if **you** do, it may let **them** offer **you** better terms at a lower premium.
- That is common knowledge.
- That **they** should know as a normal part of **their** business.
- If **they** waive **your** duty of disclosure.

If You Reduce Their Rights

Your Insurer will not pay that part of a claim where **you** have agreed to limit or exclude **Your** rights to recover **your** loss from another party.

Professional Indemnity Only

- **Your Insurer** will not cover **you** for claims that arise from:
 - a) **A Breach of Duty** that occurred before the **Retroactive Date**.
 - b) Facts that **you** were aware of before this policy began.
- If during the **Period of Cover** **you** become aware of a claim or facts that may lead to a claim **you** must tell **your Insurer** about them as soon as **you** can during the same **Period of Cover**. If **you**:
 - a) Do, **your Insurer** may pay the claim even if it is made after the **Period of Cover**. This does not apply to a **Breach of Duty** that occurred before the **Retroactive Date**.
 - b) Do not, **your Insurer** may not pay any resulting claim.

Your Professional Indemnity insurance is issued on a "Claims Made and Notified" basis. Subject to its terms and conditions, the policy will cover **your** civil liability for a **Breach of Duty** arising from any claim first made against **you** during the **Period of Cover**. This means that, "Your Agreement to Cover You" clause responds to:

- a) claims first made against **you** during the **Period of Cover** and notified to **your Insurer** during the **Period of Cover**, provided that **you** were not aware at any time prior to the start of the policy of circumstances which would have put a reasonable person in **your** position on notice that a claim may be made against him/her;
- b) Section 40 (3) of the Insurance Contracts Act 1984 however, provides that an insurer cannot refuse to pay a claim by reason only that the claim was made after the expiration date of the policy in circumstances where **you** gave notice in writing to the insurer of facts that might give rise to a claim as soon as was reasonably practicable after **you** became aware of those facts but before the end of the **Period of Cover**.

The policy however, will NOT cover **your** civil liability for a **Breach of Duty** arising from any claim:

- a) first made prior to the start date of the policy; or
- b) directly or indirectly based upon, or attributable to, or in consequence of, any incident, occurrence, fact or matter known to **you** prior to the start date of the policy and which **you** knew, or ought to reasonably have known, had the potential to give rise to a claim under the policy; or
- c) directly or indirectly based upon, or attributable to, or in consequence of any fact, matter, circumstance or occurrence which has been notified under any other insurance which **you** had or which started prior to the start date of the policy.
- d) if the **Breach of Duty** giving rise to the claim occurred prior to the **Retroactive Date**.

Don't Prevent Our Right of Recovery

If **you** have agreed not to seek compensation from another person who is liable to compensate **you** for any loss, damage or liability which is covered by this policy **your Insurer** will not cover **you** under this policy for that loss, damage or liability.
