<b>No. of species X 100 =</b>		<b>Total weight (Kg) X 10 =</b>		<b>Score:</b>			
All fish must be above minimum fisheries size – Any undersize fish presented will result in disqualification							
Any NSW protected species presented will result in disqualification							
Fish below 30% of the minimum weight will incur a penalty							
Fish labelled “All species” - only one species of that genus is allowed to be weighed							
Identification of fish will be at the sole discretion of the weigh masters or their nominee							
Only those fish shown on this scoresheet are eligible to be weighed							
Leatherjacket Other – Unlisted leatherjackets excluding Black Reef, Rough, Yellowfin & Orange Spot							
Morwong Other –Unlisted Morwongs excluding Banded and Magpie Morwong							

\* Indicates species of fish fairly common to EDEN. All others have been taken infrequently.
